
**Convention on the Elimination
of All Forms of Discrimination
against Women**

Distr.: General
3 February 2006

**Committee on the Elimination of Discrimination
against Women**

Thirty-fourth session
16 January-3 February 2006

**Concluding comments of the Committee on the Elimination
of Discrimination against Women: Australia**

20. The Committee is concerned about the lack of a comprehensive approach to combat trafficking and exploitation resulting from prostitution. It is particularly concerned about the absence of effective strategies and programmes to prevent women from entering into prostitution, address the demand for prostitution and support women who wish to discontinue their lives in prostitution. It is further concerned about the low rates of prosecutions and convictions of traffickers and the lack of support and protection offered to victims who do not cooperate in the investigation and prosecution of traffickers.

21. **The Committee recommends the formulation of a comprehensive strategy to combat the trafficking of women and exploitation resulting from prostitution, which should include the development of strategies to discourage the demand for prostitution, prevent women from entering prostitution and establish programmes of rehabilitation and support for women and girls who wish to discontinue their lives in prostitution. The State party should pursue the effective prosecution and punishment of traffickers and other offenders who exploit women on prostitution. The Committee encourages the State party to examine and adopt international good practices in combating trafficking. The Committee further urges the State party to consider the extension of temporary protection visas and reintegration and support services to all victims of trafficking, including those who are unable or unwilling to cooperate in the investigation and prosecution of traffickers.**

32. **The Committee recommends that the State party increase its funding to non-governmental organizations involved in the provision of services for the promotion of women's rights, including those working in the area of trafficking.**
